OVO JE PRIČA O ŠKOLI U KOJOJ JE
PRAVO UŽIVANJE UČITI!

Centar za učenje stranih jezika, St Nicholas School, osnovan je pre četiri godine. Nalazi se na četiri lokacije, u Bloku 44, u Bloku 70, u zgradi "Carina" na Novom Beogradu i u tržnom centru "Konjarnik". Škola radi svih sedam dana u nedelji, osim na dan Svetog Nikole i za vreme novogodišnjih i božićnih praznika. Centar organizuje nastavu za učenje sledećih jezika: engleskog, engleskog za decu, italijanskog, nemačkog, norveškog, švedskog, francuskog, španskog, grčkog i srpskog za strance. Nastava engleskog jezika se izvodi po programu Oksford centra koji je najbolji. Uz redovne kurseve stranih jezika za grupe, Centar nudi mogućnost individualne nastave. Škola radi od 8.30 do 24.00, a individualni časovi počinju već od 7.00. Postoji i poseban popust od 20% za sve one koji idu na časove do 14.00. Grupe su sastavljene od maksimalno 8 učenika, s tim da je na časovima prosek 4-5 učenika. Koliko je bitan eksterijer, još je bitniji enterijer škole, pa je svaka učionica mali svet za sebe. Lepo su uređene, čiste i osvetljene, a za decu je pravo uživanje jer su učionice koje su namenjene njima pune igračka i detalja od kojih i nama starijima ponestaje dah.

THIS IS A STORY OF THE SCHOOL WHERE
LEARNING IS A REAL PLEASURE!

St Nicolas School, Center for foreign languages, was founded four years ago. It is set on four locations: Block 44, Block 70, "Carina" building in New Belgrade and the shopping center "Konjarnik". The School is opened seven days a week, except on St Nicolas Day and during the New Year and Christmas holiday. The Center is organizing teaching of the following languages: English, English for kids, Italian, German, Norwegian, Swedish, French, Spanish, Greek and Serbian for foreigners. School curriculum is performed according to Oxford center program, the best one. Aside the regular group lessons, the Center offers the possibility of individual learning. Working hours of the School are from 8.30 AM to 12.00 PM, while individual classes start at 7.00 AM. A special 20% discount is available for scholars who attend classes up to 2.00 PM. The groups consist of maximum 8 scholars, but the average number of them on the classes is 4-5. Since the interior is even more important than the exterior, each classroom is an exceptional small world. They are nicely arranged, clean and bright. Children can particularly enjoy because in their classrooms there are plenty of toys and other stuff that leave even us, the big ones, open-mouthed.
